<td>Description/Contact</td>
<td>The station is located at the Boothville Venice Elementary School (formerly High School), Boothville, LA. It is 5.85 mi NW of SE end of route LA 23 in Venice; 3.2 mi SE of historic Fort Jackson or 67 mi SE along LA 23 from route US 90B at exit 7. Station is at north most wing (Cafeteria upstairs), at ground level, inside stairwell at SE end of wing and 43.9 m SE of NW edge of Cafeteria wing. It is 2.6 m SE of NW stairwell wall and 0.6 m SW of NE wall. Principal's phone number is 504-595-6410. 2002 NIMA disk (DH4222) was lost in hurricane repairs. 2006 disk was set at same spot with top 11.5 mm below NIMA disk. By 2013 the floor surface had been covered and disk was not visible.</td>
